If the Snow is in the Way—

It takes more than snowdrifts to daunt the Wychwood comrades! Arriving at the Open-air stand on a recent snowy Sunday eve, they found drifts and shovelled snow piled high where they wished to stand. Shovels were borrowed from nearby homes and the comrades were soon energetically clearing a circular trench. They had their Open-air—and it was a good one!

ON OLD BATTLE-GROUND

THE FIELD SECRETARY

Visits Montreal Citadel Corps

ABOUT thirty-five years ago, the Field Secretary, Colonel McAmmond, as Ensign, arrived in Montreal to take charge of the Citadel Corps, along with Captain Burrows, now Lieut.-Colonel Burrows, as his assistant. It would seem fitting therefore, that the Field Secretary should take the first opportunity of conducting a service at his old Corps, assisted by the erstwhile "second-in-charge," now the Montreal Divisional Commander.

On Thursday afternoon the Colonel conducted an Officers' Council, when the Corps, Social, Immigration, Divisional Headquarters and retired Officers assembled in the Citadel. The message of the Field Secretary was of a highly inspirational character.

The night service was in the nature of a welcome to the Colonel. Representative speakers were called upon by the Divisional Commander, in the persons of the Corps Treasurer, Brother Douglas, who for over thirty-five years has known the Colonel. He represented the Soldiers of the Corps; Adjutant Bosher, the Field Officers of the city; Adjutant Sibbick, the Women's Social, and Major Thompson, the Men's Social, while Staff-Captain Harbour spoke on behalf of the Immigration workers.

The Citadel Band and Songster Brigade rendered fine service, in keeping with the Campaign spirit. Major and Mrs. Kendall assisted very successfully in this special meeting.

TO "REGIONS BEYOND"

KENTVILLE (Captain and Mrs. Selvage)—On a recent Monday night a meeting was held in Aldershot School, which the trustees were very pleased to loan for this purpose. Thus the people of the outlying districts were reached with the message. During the past week five seekers have knelt at the Mercy-seat.—Endurance.

YOU CAN'T AFFORD TO TAKE A CHANCE WITH SIN

Some people will take almost any risk.

Let's take a chance on it," says Reckless Jack, as he skates across thin ice.

The ice gives way. Jack may be rescued. He may not.

Scores of people lose their lives every year through taking such risks.

Sadder fact, still: Countless men and women lose their souls through taking a risk with sin. "It looks safe. Let's risk it," think they.

Sooner or later, they find to their horror, that the thin ice has cracked and that they are plunging beneath the waters of death with no hope of rescue.

Are you among the reckless ones who are blind to consequences?

DON'T RISK IT—"SIN BRINGETH FORTH DEATH"

A TEN-DAY EFFORT

Stirring Meetings Led by Colonel Morehen at Hamilton

Colonel Morehen, the veteran Revivalist of the Territory, who has done such splendid service in a number of Corps since the launching of the "Regions Beyond" Campaign, recently concluded a ten-day effort at Hamilton I. Hearty co-operation was received from Field-Major and Mrs. Osbourne and the comrades of the Corps in this splendid drive for souls.

Meetings were held every night, Band and Songsters, and a small orchestra providing the music. The singing was most heartening in its vigor and influence.

Two women attended the whole series of meetings, deeply under conviction, and eventually found Pardon. Eight seekers were registered.

Bandsmen's Council Prelude

THE COMMISSIONER Presides Over United Festival in Hamilton

FOUR Hamilton Bands and that from Kitchener joined forces, on Saturday evening in the Memorial School Auditorium, to produce a program which, to judge by the ready expressions of appreciation on the part of the audience, was thoroughly enjoyed. The Commissioner presided, supported by Mrs. Hay and the Chief Secretary, and, as item succeeded item, enthusiasm grew apace. Colonel Dalziel, who prayed at the opening of the Festival, also read a Scripture portion during the proceedings. Brigadier Macdonald and Commandant Galway also participated. Bandmaster Walno, of No. I, conducted the two united contributions —"The Quest" march and the selection, "Love Divine."

The selection, "Songs of Joy," reviving many and precious memories, was given by Kitchener Band, which also rendered "American Melodies." "Strains of Victory" and "Our King," by the Hamilton IV combination, won hearty approbation. Grey-clad No. III had the distinction of presenting the most recent composition heard during the evening—"Praise ye the Lord." The Meditation, "Nearer to Thee," won for Hamilton II a volley of applause.

Hamilton I gave "The Salvation Army Patrol," and "A Soul's Awakening." In addition the members of this Band sang an effective song, "Everybody loves the Band," introducing various instruments with novel effect. The united Band song —"Jesus the very thought of Thee" —was, in the estimation of some, the best item on the program. Possibly, however, the most significant number was the instrumental quartet "Memories," played by Bandsmen from the four Hamilton Bands. A worthy idea worthily demonstrated.

COMMENCE THIS REAL "REGIONS BEYOND" WORK

THE MODERN AND ACTIVE ORDER OF "WAR CRY" PEPPERGISERS

BEING CONVINCED that I should do something more to forward the interests of the Kingdom of God, and being assured that such an end can be achieved by this means, I beg that I may be enrolled as a member of the Order above-named, for a period of six months, at least.

And I promise, God helping me, that I will, each week, dispose of..... copies of "The War Cry" to people who are not at present readers of that organ.

A distant visitor from Newfoundland has been combining business and pleasure while in Canada — the pleasure being gained from a "close-up" of The Army in this country. The comrade is Sergeant-Major Charles Horwood, of Grand Falls Corps, who is an executive of the great paper industry in that place. The Sergeant-Major informs us that the quest for employment has resulted in an influx of Local Officers to the Grand Falls Corps, there being no fewer than ten comrades who have been Sergeant-Majors and eight who have been Bandmasters.

Major Spooner has undertaken to prepare the Cadets for their First-Aid examinations, and is delivering the prescribed course of lectures.

The present Session of Cadets are making records in the matter of "War Cry" sales. In spite of the general depression a larger number of copies of "The War Cry" per week are being disposed of than for several years past.

ANOTHER OFFICER CALLED

Field-Major Samuel Ash, who for many years has rendered valiant service in the Canada East Territory, was promoted to Glory on Sunday, March 8th, after a lengthy period of suffering. Lieut.-Colonel Sims, the Men's Social Secretary, was announced to conduct the funeral of this departed warrior in London. Further details will be provided next week's "War Cry."
